

Parents and Friends of OMPH Athletic Association,

We will be finalizing the process of basketball and cheerleading registration. The last day to register your child is **SEPTEMBER 30th**. Please complete the form as soon as possible on the link below to a Google document to register to participate this upcoming season. In the past, the season usually starts in November and ends in the middle to end of January. As of this time, the Athletic Association board feels that it is important to get the children registered so that we have a better idea of how many teams we can form. We will collect a registration fee for each participant (unsure of the fee amount at this time) at a later date. As the previous email states, OMPH children may have to combine with other parishes in Lancaster County to form complete teams. This depends on the number of children who register from our school and parish.

I also wanted to reach out to the parents of all the children, but especially to those who have children in elementary school (5th grade and under). The OMPH Athletic Association needs parents to prayerfully consider joining our wonderful ministry. Without volunteers, our association cannot survive. I have had the pleasure of coaching and being a member of the AA for nine years. It is such a great feeling knowing that I've made such a positive impact on many children who attend our wonderful school and parish. My son is in the eighth grade this year, and I have decided that this will be my last year as OMPH AA President. Our other three board members have children in the seventh and eighth grade as well. We need parents to join our organization to keep it going strong. The time commitment is minimal. Practices are usually 1-2 hours twice a week with one or two games on a weekend. Our association meets once a month for about one hour. We have hopes of having an Athletic Association meeting IN PERSON in the near future. Please keep an eye out for more information. In the meantime, please complete the registration form for your child(ren) and prayerfully consider joining our ministry. Please do not hesitate to contact me with questions or concerns.
