

The Bible & the Church Fathers

In *The Bible and the Church Fathers*, you'll learn who the Early Church Fathers were and how they shaped the way we read Scripture.

The study consists of four main parts: the videos, the workbook, the supplemental materials (see suggested list below) and the leader guide. The videos contain the bulk of the content, and can be viewed by themselves for a rich catechetical experience, but they were designed to be accompanied by the workbook. With a space for notes, recommended reading assignments, review questions, discussion questions and review notes, you'll be fully prepared to absorb the rich content from the videos.

Supplemental readings come from Sacred Scripture, the Catechism of the Catholic Church, Mike Aquilina's *The Fathers of the Church and Faith of Our Fathers*, and Dr. Scott Hahn's *Consuming the Word*.
